ZAP'S ELECTRICAL, LLC,

Plaintiffs,

v.

MONARCH CONSTRUCTION, LLC,

Defendant.

Case No. 3:19-CV-00603-CLB

**ORDER TO FILE EXHIBIT UNDER SEAL  
AND ORDER SHORTENING TIME TO  
RESPOND**

[ECF No. 101]

Currently pending before the Court is Defendant Monarch Construction's motion for continuance of trial. (ECF No. 101.) Defense counsel represents that he has been involved in a serious accident which has rendered him incapacitated and unable to proceed with the trial as expected. (*Id.*) Defense counsel attaches sensitive medical information in support of his motion (ECF No. 101-1). Based on the nature of the information contained in the declaration, the Court finds good cause exists for the document and attachments to be sealed. *See Ctr. for Auto Safety v. Chrysler Grp., LLC*, 809 F.3d 1092, 1102 (9th Cir. 2016). Accordingly, the Court orders that the declaration to the motion and attachments, (ECF No. 101-1) be **SEALED**.

Additionally, because this case is already set for trial, the Court finds it appropriate to expedite briefing on the motion for continuance, (ECF No. 101). Thus, Plaintiff Zap's Electrical shall file a response to the motion by no later than **5:00 PM on April 3, 2023**, and any reply shall be filed by no later than **5:00 PM on April 5, 2023**.

**IT IS SO ORDERED.**

**DATE:** March 28, 2023.
